Claim 20: In line 4, "Uins" should be changed to ---Uin--.

### ***Allowable Subject Matter***

Claims 10-27 are allowed.

The following is a statement of reasons for the indication of allowable subject matter: The prior art fails to teach the claimed method for recovering performance of a discharged gas processing apparatus comprising a catalyst honeycomb body located on the inlet side of the apparatus, determining the deteriorated portion of the

honeycomb body, and transferring the honeycomb body to a portion of the apparatus so that the inlet side of the apparatus represents a portion other than the deteriorated portion. The transferring of the deteriorated portion aids in Nox removal and improves performance.
